

YOUTH MENTORING PROGRAMME

HELP YOUNG PEOPLE NAVIGATE THEIR YOUTH SAFELY AND
BECOME ADULTS THAT CONTRIBUTE POSITIVELY TO THE WORLD.

You either know it from experience or observation—being a young person is tough. There is no more important time in life. Between the ages of 10 and 24, young people face unprecedented pressures, make life-altering decisions and experiment with risky behaviour. We know many young people don't make it through unscathed.

It doesn't have to be this way.

The *BeSomebody2Someone* programme is based on years of research and practical youth mentoring experience that identified four vital elements for young people's lives—Connectedness, Mastery, Generosity and Independence. The resources, training and support are specifically designed to ensure mentors are able to be that somebody young people need.
