HELPING OTHERS AVOID THEIR OWN PERSONAL GLOBAL FINANCIAL CRISIS.

Helping people get their money sorted can be good for business and the community—and it is certainly good for families!

Reducing financial stress helps people experience better relationships, less sickness (and therefore fewer days off sick) and may perform better at work. We also know that teaching financial literacy to parents ensures their children have a better chance of keeping their own finances under control in the future.

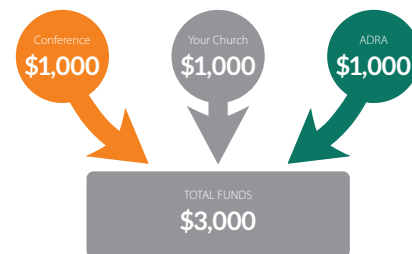

If you want to help the people you work with or your community to get their money sorted, we have a range of resources you can use—all of which are free, independent and impartial.

WHAT'S THE COST?

The total cost of a *My Money Programme* is \$3,000. Through the CPP the costs are split three ways:

Your Church	\$1,000
The Conference	\$1,000
ADRA	\$1,000
Total	\$3,000

The church will receive all the DVDs and training materials, professional signage, community advertising and brochures, branded uniforms for the programme leaders and a budget for refreshments.
