HELPING FAMILIES THRIVE!

ADRA, the *Adventist Development and Relief Agency*, is the official humanitarian agency of the Seventh-day Adventist Church.

At ADRA New Zealand we believe all people were created in the image of God to do amazing things. Whether you're in New Zealand, Cambodia, Vanuatu or any corner of the globe, we believe every person deserves the opportunity to thrive.

We also know that working with families is the most effective way of bringing long-lasting and positive change to a community. We work with families most in need—whether they are living in poverty and hardship, or have been affected by disaster—or both.

As part of the global ADRA network we have a presence in 139 countries across the globe. Both here in New Zealand and across the globe we are committed to helping families thrive.

ADRA New Zealand needs your support! We are in constant need of prayer. Use this postcard as a constant reminder to pray for ADRA and for the communities which need support. You can stick this postcard on your fridge, keep it by your bedside, or pass it on to a friend and continue to pray for us. Prayer is a powerful tool in changing the world, thank you for your support.
