LIVE IT. GET IT. STOP IT!

Get a new perspective on the challenge faced by people living in poverty—from your own backyard.

The *Poverty Challenge* is a resource designed to help you gain a greater understanding for how poverty affects families around the world. Designed with your youth group, Pathfinders or school class in mind, you'll be pushed out of your comfort zone and encouraged to raise funds for those who need it most.

The *Poverty Challenge* involves setting up a third world environment, living in a makeshift shelter, eating rations and being forced to collect your essentials.

The *Poverty Challenge Kit* includes four instructional booklets with everything you need to set up and lead your own *Poverty Challenge* event.
