

# ADRA Annual Appeal

**2 October 2021**

ADRA currently supports 34 projects here in New Zealand. We work with our local churches to help fund initiatives to serve families in their local community. Through serving local needs, together we're better able to connect with our communities and be a shining light of what God's love looks like.

Your generous support of the ADRA Appeal will ensure we can continue to help families right here in New Zealand and around the world.

# ADRA Annual Appeal

**9 October 2021**

MJ felt alone and helpless, as a solo mum she wanted to provide the best for her children, but she was stuck in an abusive relationship and didn't have a large network of support.

Next week, ADRA is collecting a special offering. This offering will empower mothers like MJ and provide a safe and secure community for their kids through ADRA's life-changing projects.
