

ADRA ANNUAL APPEAL

OCTOBER 1 2022

More than anything, Hana wants a friend. Born blind and living in poverty, Hana lacked access to basic health facilities and independence, leaving her feeling isolated.

Next week, ADRA is collecting a special offering. This offering will provide people like Hana with the facilities and social support needed to access health and dignity; you can improve people's wellbeing and help build belonging for those most in need.

Together as the church, we're helping families living in poverty and facing hardship around the world and right here in New Zealand.

Through helping those most in need, we're building belonging for the excluded and forgotten and showing a glimpse of God's love for others.

Your generous support of the ADRA Appeal will ensure we can continue to help families overcome poverty and hardship.
