

ADRA Christmas tree Announcements

Together, we're doing amazing things over the Christmas season and it's all thanks to supporters like you. We can bring clean water to communities, provide people with food and shelter during emergencies, empower families to generate more income from their farms and support parents caring for their new babies right here in New Zealand. In doing all of this, we can bring an abundance of hope, healing, and joy!

Please encourage your church community to get involved throughout this Christmas season. You are the voice of ADRA in your church and without your encouragement or support, we won't be able to engage with your church. **Thank you for spreading joy!**

Announcements

Please share these announcements during the church service and in your church bulletin:

Announcement 1:

Christmas is a time to celebrate the joy that Christ brought to this earth and to continue His legacy of sharing joy with others. This Christmas, donate a gift that will bring joy. Give a gift of food, clean water, shelter, or training and give hope to people living in poverty or hardship through the ADRA Christmas tree. Please see [<name of Christmas tree organiser>](#) to learn more.

Announcement 2:

God is the giver of great joy (Psalm 94:19) and invites us to serve one another with love and joy (Galatians 5:13). You can help spread joy by donating a gift through ADRA's Christmas tree. A gift can bring hope, healing, and joy to someone in need. Please see [<name of Christmas tree organiser>](#) to learn more.

Thanks for encouraging your church to get involved by donating gifts. Because of you, ADRA can engage with churches and ensure that we are able to reach and serve people in need.

Can't set up a Christmas tree?

Here are some creative ways to display your gift cards.
