

# Christmas Gifts

## *Give a life-changing gift to someone in need this Christmas*

Your ADRA gift can teach a woman to read and write, give a farmer the tools needed to provide for their family, or give a community access to clean water. Whatever you choose, your gift will bring hope and healing to a person facing hardship this Christmas.

Choose a card from the tree or display, take it to your ADRA representative and donate the gift to someone in need this Christmas. You can keep the card and pass it on to a friend to spread even more joy this season.

**Thanks for bringing hope, healing, and joy to someone in need!**
