Help us be ready for the next disaster

During the last 12 months, your support has helped ADRA respond to the Ukraine crisis, volcanic eruptions, flooding, and more. Thank you! Having funds available before disaster strikes means ADRA can provide immediate assistance to those who need it most.

On February 11, our churches will again be collecting funds for the Disaster and Famine Relief Offering. Or you can give online at adra.org.nz/respond to help us be Always Ready and Always There to respond in times of disaster.

When a disaster strikes, it's the vulnerable who suffer most

We know that, when disaster strikes, it's the most vulnerable that suffer first and suffer most.

People living in poverty are hardworking and resilient, but disasters push them even further into disadvantage. It's people and families like these that need your help.

Your support of ADRA's Disaster and Famine Relief Offering on February 11 will ensure that we are Always Ready and Always There to help those most in need in time of disaster. You can also give now at adra.org.nz/respond
