

## ADRA Appeal 2025

For 30 years, ADRA New Zealand has walked alongside families in Aotearoa, the Pacific, and Asia with justice, compassion, and love.

From humble beginnings in 1995 to thousands of lives changed today, this is our story — and you are part of it.

Elena, a single mother in Timor-Leste, was once unable to feed her children. With ADRA's support, she started a small bakery and now provides for her family. Here in New Zealand, families in ADRA-supported community gardens have found not only food, but friendship and belonging.

This October, we invite you to join us in celebrating 30 years of impact by giving \$30 for 30 years of justice, compassion, and love.
